

Nebraska Society Of Radiologic Technologists

Dear Nebraska Imaging Professionals

The new membership year has begun. If you are not on an autorenew cycle with MemberPlanet, we hope you will consider utilizing the NSRT website to renew. We would hate for you to miss out on the valuable benefits that come with being a member, especially with the Fall Education Saturday right around the corner!

By renewing your membership, you'll ensure you can:

- Register at the reduced member rate for the Fall Education Saturday, the NSRT Annual Conference and other upcoming events, saving you money on valuable continuing education credits.
- Stay connected with fellow radiologic technologists across the state.
- Receive important updates on our profession, advocacy efforts, and new opportunities.
- Support NSRT's mission to provide a strong voice for radiologic technologists in Nebraska.

Our Fall Education Saturday and Annual Conference are “can't-miss” opportunities to network and gain essential knowledge to advance your career. Make sure you're eligible for the member discount by renewing today.

On behalf of the NSRT Board of Directors, I want to thank you for your continued support of the Nebraska Society of Radiologic Technologists. We look forward to seeing you at our fall event!

Sincerely,

Brenda Jennelle, MHA RT(R)(M)(CT)(BD)
NSRT President - Elect
